Doctor Leadership Academy

Leading a TOP Team... *in a Low Unemployment Market*

How do you attract, hire, and continually engage the best team members in a low unemployment market? It is a constant effort of the best dental leaders.

During this special Doctor Leadership Academy, you'll discover:

- What you need to do **NOW** to keep your team **engaged, enthused and challenged**.
- Changes you **MUST** make in a changing market.
- The **best sources** for the best team members.
- What **today's team members are looking for** and what you can do about it.
- Daily leadership disciplines that keep your team on track for **top performance**.
- What dentists are failing to do that you **need TODAY to lead a top team**.
- **No-cost secrets** to building your most valuable asset — your team.
- Common sense, easy-to-implement traits of the uncommon dental leader.
- The most **challenging leadership situations** and how to deal with them.

And much, much more!
