**Day 1:** Thursday, March 26. 10 AM to 2 PM Central time and

**Day 2:** Friday, March 27. 10 AM to 2 PM Central time

In this **special edition** of Total Immersion designed for the entire dental team, you'll discover:

- 3 secrets to **managing change** for your patients, your practice, and for you.
- Why **patients come second** when providing total patient service.
- The **biggest mistakes** practices are making Now in communicating with patients and what you can do differently.
- Secrets to **maintaining your patient base** in a time of reduced access to care.
- Communication skills you can use **NOW at home** that will serve you well with your patients later.
- How to be the **"Yes Practice"** now and in the future.
- **Words** you should never use that are **driving your patients away** and what you can say instead.

And much, much more!
