

Hygiene Leadership Academy NOW!

Successfully Playing the New Hygiene

'GAME'

Now Online!

Friday, January 15, 2021 | 10:00 am – 2:00 pm CST

Scheduling, infection control, running on time, giving your patients peace-of-mind, all these things and more have come into greater focus as we navigate the months ahead.

*During this online session of
Hygiene Leadership Academy Now! you will **discover:***

- **New Scheduling skills you need NOW!** With cancellations, no-shows and scheduling changes on the rise, strategically put in place specific scheduling systems for today's environment.
- **Streamline the Appointment.** What the best practices are doing to make the patient appointment more efficient, timely, and effective while delivering Total Patient Service. Save time and have a happier, paying patient.
- **Stress Busters!** With more factors to manage at the office and at home, discover the skills being used to lead a happy, productive, daily life all around.
- **What's New?** New products you need to know about. Pros and cons. Helpful or not and which direction to go.
